13th Door Haunted House - Located at I-225 and Tamarac Drive. Take I-25 to I-225 exit north on Tamarac Dr. and turn left at Sonic. Open Oct 1-Oct 31. On a cold October night in 1912, the wealthy owners of the Barrington Hotel threw a costume party in their Penthouse suite. Sometime during the party, a fire broke out and to the horror of the guests, all the exits were blocked. Those attempting to rescue the victims were frustrated by the screams of those trapped behind the locked doors. Little did they know that the real horror wasn't the spreading fire, but the chainsaw wielding maniac that had trapped the partiers in the suite and was now methodically cutting off their hands to further prevent them from leaving. Their only hope of survival was to find the 13th Door. No one did and they all perished. Maybe you will be luckier and discover what lies behind the 13th Door! For more information call 720-298-8561.
